TECHNISOURCE OPENS NEW CANADIAN OPERATIONS

Technisource Opens Toronto and Ottawa Offices

TORONTO, ONTARIO - MAY 11, 2010 - Technisource, one of the largest technology services providers in North America, today announced the launch of its operations in Canada. The first new office is in Toronto, Ontario. The new location is at 1 Queen Street East, Suite 901 in Toronto, Ontario, M5C 2W5. A second office has also opened in Ottawa, Ontario located at 440 Laurier Avenue West, Suite 120. The new offices will focus on IT and Technology positions within the banking and financial services, government, software, telecommunications, and professional services industries.

"Through specialized services, Technisource strives to provide the widest range of IT staffing and technology solutions in every market we serve," said Steve Bell, regional vice president. "Technisource will bring to the Canadian market our unique and highly flexible planning process and delivery model that best meets the needs of our current and future clients."

The Toronto office will be managed by Steve Bell who has over 14 years of experience in the technology services industry. Prior to joining Technisource, Steve worked as the regional vice president at The Mergis Group in Toronto and was responsible for establishing the brand in Canada.

The Ottawa office will be managed by Shawn Mountain who also has 14 years experience in the technology services industry. Shawn worked as the managing director at The Mergis Group in Ottawa and was responsible for running the IT division servicing both the private and public sectors.

About Technisource

Technisource, one of the largest technology services providers in North America, delivers a wide range of staffing, management services and technology solutions. With nearly 40 years of experience, Technisource provides services to a broad range of clients to maximize their technology investments. Focused on quality, flexibility and value, the company's service offerings range from IT staffing, deployment and support services to software quality management, strategic projects and outsourcing.

Through its network of more than 56 offices across the U.S. and Canada, Technisource maintains a group of 8,000 experienced consultants and employees that deliver its portfolio of service offerings to Fortune 500 corporations, mid-sized companies and small organizations. Technisource is a subsidiary of SFN Group (NYSE:SFN). For more information, please visit www.technisourcecanada.ca.
